CHARDONNAY

Sonoma County

“Made by Winemaker Leo Hansen from a majority of grapes grown at Stuhlmuller Vineyards, where the Alexander and Russian River valleys converge, this white is creamy and tropical, with lingering notes of stone fruit, vanilla and pear. Balanced acidity tempers the richness with ease and elegance.”

Our Small production Chardonnay is hand crafted from Grapes grown on two acclaimed vineyards that were planted in the early 1980's located in the Sonoma County AVA. Our wine was crafted using French Oak Barrels to ferment half of our grapes and the remainder fermented and aged in Stainless to retain the natural crisp acidity with flavors reminiscent of Apples, Anjou Pear, and a touch of vanilla that are complimented by a refreshing minerality.
